INDEX TO VOLUME XXV.

ORIGINAL AND TRANSLATED ARTICLES.

Abscess, orbital, secondary to nasal disease 40
Accessory sinuses, diseases of 193
Adenoids, are faulty orbital developments due to 359
Anæsthesia, regional 233
Bright's disease, pathology of the retina in 65
Burns of the conjunctiva, self-inflicted 289
Cataract complicated by dacryocystitis 356
Conjunctival cysts and papillomata 292
Diplopia, monocular. Relation to hysteria 97
Enucleation or evisceration 7
Epibulbar melanotic tumor, primary 81
Epidemic of pneumococcus conjunctivitis 257
Glasses, when should we not prescribe them 1
Glaucoma, pain of primary, relieved by cocainizing Meckel's ganglion 354
Hammers, cheap, as a factor in penetrating wounds 130
Heterotropia, the measurement of 107
Hole at the macula 225
Hysterical amblyopia, case with complete recovery 33
Knife, a new, for dividing membranes obstructing pupil 129
Management of the blind in Japan 325
Optic nerve, tear by a bullet 225, 353
Orbital developments, faulty, caused by adenoids 359
Periscopic spectacles 321
Paralysis of conjugate ocular superduction 144
Rupture of the eyeball with dislocation of the lens under the conjunctiva 295

Serpiginous ulcers of the cornea, bacteriology and treatment.... 18
Sympathetic ophthalmia, clinical therapeutic considerations....230
Sympathetic ophthalmia, new results in the study of 166
Sympathetic ophthalmia, the moment of enucleation 204
Tumor cerebelli 137
Xerosis of the conjunctiva 161

SOCIETIES.

American Academy of Ophthalmology and Oto-Laryngology, 218, 278
American Ophthalmological Society 219
German Ophthalmological Society at Heidelberg.....262, 310
Ophthalmic Section St. Louis Medical Society, 25, 113, 147, 175, 319, 333, 360
Ophthalmic Society of the United Kingdom, 44, 154, 178, 210, 239, 277, 339, 371

ABSTRACTS.

Amblyopia from wood alkohol 253
Amblyopia in children, little known type 284
Amblyopia, toxic 146
Amblyopia, toxic, 24 cases 252
Anæmia, ocular complications of 377
Autointoxication 221
Brain tumor, ocular symptoms of 380
Calmette reaction to tuberculine 223
Chronic conjunctivtis, ætiology and treatment 254
Cornea, opacification after cataract extraction 284
Cornea, to clear of opacities from metallic caustics.....255
Detachment of retina, surgical treatment 96
Episcleritis periodica fuga 62
Errors of refraction and balance and general health.....332
Examination of fundus by transillumination of orbit 288
Eye as a contributing factor in tuberculosis 224
Eyestrain and functional neuroses 209
Glaucoma iridectomies 95
Glaucoma, primary 80
Hygiene of the eye in school children 282
Interstitial keratitis from a modern standpoint 63
Interstitial keratitis in acquired syphilis 256
Interstitial keratitis, treatment 249
Intraocular lesions, deep, in syphilis 248
Iodid of potassium in treatment of incipient cataract.....165
Iridocyclitis, pathogenesis 94

211054

Iritis, treatment 159
Lacrimonasal duct, imperforation of 255
Lens, crystalline, developmental deformities 348
Lenticular astigmatism, some clinical aspects 287
Migraine an occupation neurosis 285
Myopia associated with corneal opacities 245
Myopia and its prevention 324
Negative influence of mercury on parasyphilitic nervous affections 93
Neuropathic keratitis, bacteriological aspects of 95
Neurosis from refractive errors 252
Ocular manifestations of systemic gonorrhœa 345
Ocular reaction to tuberculin, is it free from danger 64
Ocular rotation in paresis 249
Ophthalmology for general practitioners 379
Optic nerve, changes in multiple sclerosis 247
Optic nerve in early stages of multiple sclerosis 376
Optic nerve, infrequent type of atrophy 286
Penetrating wounds of eyeball, better prognosis of 285
Phlyctænular eye affections and tuberculosis 375
Plan for improving vision in albinism 62
Post-operative history of sixty cases of simple glaucoma 351
Pregnancy, ocular complications 283
Preliminary communication of pathology of glaucoma 60
Preventive treatment in transferred ophthalmitis 58
Reflex neuroses 377
Refraction, study of 100 cases in Indians 286
Removal of lens in high myopia 32
Rupture of pectinate ligament 31
Serums and metallic ferments in ocular therapeutics 127
Smith's, Major, operation for cataract 250
Sympathetic Ophthalmia 17
Tabes dorsalis, juvenile 352
Tabes dorsalis, pathogenesis of 320
Tenotomy, a method of performing 246
Trephining in choked disc 376
Tuberculin, ocular reaction 331, 378
Vernal conjunctivitis, radical cure 252

Reviews 157, 188, 244, 279, 320
